

**Open Position Announcement**  
**Water Treatment Plant Supervisor**  
**City of Milford**

The City of Milford, located approximately 15 miles east of Cincinnati, seeks an experienced Class II Operator who will also serve as a working supervisor. The City operates a 1.2 MGD Lime Softening Plant with average daily demand at 685,000 GPD and over 2,050 service connections. Position reports to the Public Works Director and is responsible for all aspects of treatment and distribution within EPA guidelines.

Minimum Qualifications: Possession of OEPA Class II Operator and EPA Certified Lab License with at least three years of supervisory experience. The candidate must also possess skills in planning, written and oral communication and budget accountability. High school diploma or equivalent required, college degree preferred. Must be able to work other than normal business hours and carry a cell phone. Subject to background check, and pre-employment and random drug testing.

This is an hourly position eligible for overtime. Starting Salary is DOQ + benefits. AA/EOE
