

City of Milford, Ohio

US 50 Pavement Resurfacing

INFORMATION UPDATED 7/02/2009

ODOT will begin Milford's US 50 street resurfacing project on Monday, July 6, 2009. The project limits are Park Road in Hamilton County to the intersection of Lila Avenue and Main Street (US 50) in the city of Milford, Clermont County.

The project includes pavement repairs, planning and resurfacing, installing loop detectors and pavement markings.

The majority of work will be completed during evening hours from approximately 7PM to 6 AM; "No parking" signs will be posted on the sections of roadway affected by construction. Flaggers will be directing traffic during construction hours. By performing the majority of work during the evening hours the project should have a limited affect on the downtown merchants and parking.

For additional information on lane and road closures caused by construction, accidents or other related traffic events, visit www.BuckeyeTraffic.org.

For further information, please contact: Sharon Smigielski, Public Information Officer at (513) 933-6511 or Liz Lyons, Public Information Specialist at (513) 933-6534.
